ANGLES & FLATS

XP R

CNC punching and shearing lines for the processing of angle

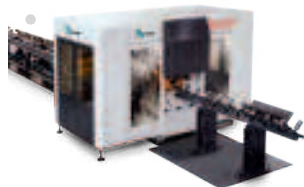

XP T

High performance CNC punching and shearing lines for angles

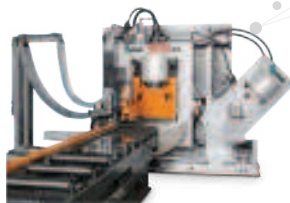

A & HP

Diverse Solutions for Large Angle Fabrication

RAPID

Automatic CNC high-speed drilling and cutting lines for angles

TIPO D4

Automatic CNC punching, drilling, shearing & thermal cutting line for flats

TIPO D50-F

Automatic CNC high speed drilling & sawing line for flats, angles, channels and pipes

Montfort International Ltée

2500 av. Watt, Québec (Qc), G1P 3T3, CA | 1-800-463-6668 | (418) 877-0778 | info@montfort-international.com | www.montfort-international.com

PLATES

P27E

CNC plate drilling line

P83E & P113E

CNC plate punching lines for heavy plates

KRONOS

Automatic gantry CNC high definition plasma & oxy cutting system for plates

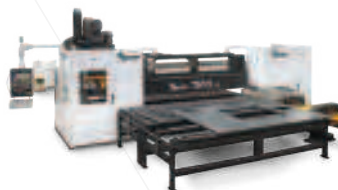

GEMINI

Automatic gantry CNC drilling, milling and thermal cutting systems for large plates

ENERGY

CNC gantry working center for plate edge milling

TIPO A

Automatic CNC drilling & thermal cutting systems for heavy plates

TIPO B

Automatic CNC punching & thermal cutting systems for heavy plates

TIPO G

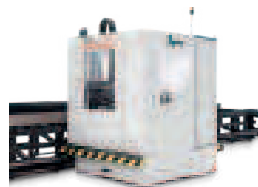

Automatic CNC drilling, milling and thermal cutting system for large plates

Montfort International Itée

2500 av. Watt, Québec (Qc), G1P 3T3, CA | 1-800-463-6668 | (418) 877-0778 | info@montfort-international.com | www.montfort-international.com

BEAMS & PIPES

EXCALIBUR & VICTORY

Automatic CNC single spindle
drilling lines for sections

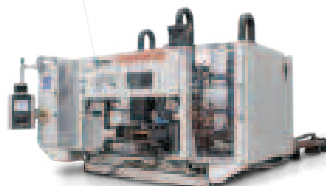

XBLADE

Automatic CNC single spindle
drilling, milling and disc sawing
line for sections

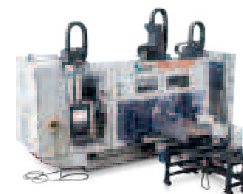

ORIENT

Automatic CNC drilling, drilling
& band sawing, drilling & coping
lines for sections

VANGUARD

Automatic CNC drilling, drilling
& band sawing, drilling & coping
lines for sections

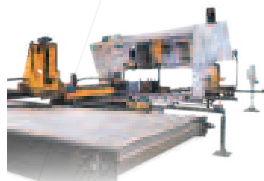

VALIANT

Automatic CNC drilling, drilling
& band sawing, drilling & coping
lines for sections

ENTERPRISE

Automatic gantry CNC drilling
line for bridge girders and
welded structures

KATANA

Automatic CNC band sawing
lines for sections

FLEX

Automatic CNC thermal
coping robot for sections

NOZOMI

Automatic 9 axes CNC
thermal coping robot

LEXINGTON

Automatic CNC 4-sides
scribing lines for sections

Montfort International Ltée

2500 av. Watt, Québec (Qc), G1P 3T3, CA | 1-800-463-6668 | (418) 877-0778 | info@montfort-international.com | www.montfort-international.com
